Facility/Birthday Party
Rental Information

Will the pool be reserved for us privately?

No, the pool is shared with the public. The benefit of having a birthday rental is that your group will get priority access to the facility between our reserved times.

Do we need to pay a deposit to reserve a time slot?

Yes, you are required to pay in full once the rental agreement is signed.

Am I able to apply for financial assistance, if I am unable to pay the full fee for a birthday party rental?

In the event of a birthday party of a member that receives financial assistance, the same fee discount as applied to your membership will be applied to your birthday party. We believe at the YMCA that a child should have the experience of a YMCA birthday party.

Why do I need to get my own insurance?

As a policy and practice of the YMCA of Simcoe/Muskoka you are required to obtain your own event insurance and show proof of same to access the facility/rental.

What information do I need to know to obtain insurance?

Does every participant require a waiver?

Yes, every participant requires a signed waiver to access the party and the specific activities. Without a waiver, we will not allow participation.

In the event of a cancellation will I be refunded the money I paid for insurance?

As insurance is not through the YMCA, please refer to the Terms & Conditions of the insurance provider.
